

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 3019 – HB 3156

February 16, 2010

SUMMARY OF BILL: Requires all newly installed in-ground and above ground public and private swimming pools to have a properly functioning alarm in place prior to final approval by an electrical inspector.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- According to the Departments of Commerce and Insurance and Health, any additional inspection items will be added to the current final inspection and any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
- According to the Department of Health, all existing pools would be exempt from this bill as the final electrical inspection for these facilities have already been completed.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
